

LARRY GARCIA

Email: robertsjessica@francis.com
Education Level: Undergraduate
Major: Information Science

Desired Role: Grader
Research Interests: Assistive Technology

Education:

Stanford University

B.S. in Information Science,

Expected Graduation: May 2026

Relevant Coursework:

Assistive Technology, Data Science Fundamentals, Applied Machine Learning

Skills:

SQL, C++, Git, PyTorch

Experience:

Undergraduate Research Assistant

Department of Information Science, Stanford University

Sep 2022 – Present

- Worked on projects related to assistive technology using tools like SQL, C++, Git.
- Contributed to literature reviews and helped design experiments.
- Assisted with data collection and preliminary analysis for research papers.

Academic Project

"Assistive Technology Analysis using AI"

- Built a project that applies concepts from ML and statistics to study topics in Assistive Technology.
- Presented findings in class and received excellent feedback from faculty.

Hobbies & Interests:

- Music production
- Open-source contributions
- Volunteering in local shelters
