

REBECCA LITTLE

Email: lynn89@hotmail.com
Education Level: Undergraduate
Major: Mechanical Engineering

Desired Role: RA
Research Interests: Financial Forecasting

Education:

Stanford University

B.S. in Mechanical Engineering,

Expected Graduation: May 2025

Relevant Coursework:

Financial Forecasting, Data Science Fundamentals, Applied Machine Learning

Skills:

Google Cloud, Keras, NumPy, React

Experience:

Undergraduate Research Assistant

Department of Mechanical Engineering, Stanford University

Sep 2022 – Present

- Worked on projects related to financial forecasting using tools like Google Cloud, Keras, NumPy.
- Contributed to literature reviews and helped design experiments.
- Assisted with data collection and preliminary analysis for research papers.

Academic Project

"Financial Forecasting Analysis using AI"

- Built a project that applies concepts from ML and statistics to study topics in Financial Forecasting.
- Presented findings in class and received excellent feedback from faculty.

Hobbies & Interests:

- Music production
- Reading non-fiction
- Open-source contributions
