

# KAITLYN MCDONALD

**Email:** elliottdborah@yahoo.com  
**Education Level:** Masters  
**Major:** Theatre

**Desired Role:** RA  
**Research Interests:** Climate Change Modeling

## **Education:**

University of Michigan, Ann Arbor

**B.S. in Theatre,**

Expected Graduation: May 2025

## **Relevant Coursework:**

Climate Change Modeling, Data Science Fundamentals, Applied Machine Learning

## **Skills:**

Deep Learning, NumPy, Keras, Machine Learning, Tableau, Git, JavaScript

## **Experience:**

Undergraduate Research Assistant

Department of Theatre, University of Michigan, Ann Arbor

Sep 2022 – Present

- Worked on projects related to climate change modeling using tools like Deep Learning, NumPy, Keras.
- Contributed to literature reviews and helped design experiments.
- Assisted with data collection and preliminary analysis for research papers.

Academic Project

"Climate Change Modeling Analysis using AI"

- Built a project that applies concepts from ML and statistics to study topics in Climate Change Modeling.
- Presented findings in class and received excellent feedback from faculty.

## **Hobbies & Interests:**

- Volunteering in local shelters
- Music production
- Reading non-fiction
