

ANI

Email: ani@terpmatch.ai
Education Level: Undergraduate
Major: Computer Science

Desired Role: Research Assistant
Research Interests: Machine Learning and Healthcare

Education:

University of Maryland, College Park

B.S. in Computer Science,

Expected Graduation: May 2026

Relevant Coursework:

Machine Learning and Healthcare, Data Structures, Applied Machine Learning

Skills:

Python, TensorFlow, Pandas, Scikit-learn, SQL

Experience:

Undergraduate Research Intern

Department of Computer Science, University of Maryland, College Park

Sep 2023 – Present

- Collaborated on projects related to machine learning and healthcare using tools like Python, TensorFlow, Pandas.
- Participated in weekly lab meetings and contributed to research papers.
- Assisted in technical documentation and presentations.

Capstone Project

"Machine Learning and Healthcare Pipeline using AI Tools"

- Developed and evaluated models based on public datasets aligned to machine learning and healthcare.
- Presented to faculty and received distinction honors.

Hobbies & Interests:

- Reading Sci-Fi
- Playing Guitar
- Volunteering
