

VICTORIA SCHULTZ

Email: williamgalloway@rush.net
Education Level: PhD
Major: Communication

Desired Role: RA
Research Interests: Genomics

Education:

New York University

B.S. in Communication,

Expected Graduation: May 2026

Relevant Coursework:

Genomics, Data Science Fundamentals, Applied Machine Learning

Skills:

Cloud Computing, R, Scikit-learn, PyTorch, Docker, Node.js, AWS

Experience:

Undergraduate Research Assistant

Department of Communication, New York University

Sep 2022 – Present

- Worked on projects related to genomics using tools like Cloud Computing, R, Scikit-learn.
- Contributed to literature reviews and helped design experiments.
- Assisted with data collection and preliminary analysis for research papers.

Academic Project

"Genomics Analysis using AI"

- Built a project that applies concepts from ML and statistics to study topics in Genomics.
- Presented findings in class and received excellent feedback from faculty.

Hobbies & Interests:

- AI Ethics discussions
- Peer mentoring
- Volunteering in local shelters
