

# ANTHONY MAYS

**Email:** nicholasclarke@meyers-thornton.com  
**Education Level:** Masters  
**Major:** Public Policy

**Desired Role:** TA  
**Research Interests:** Climate Change Modeling

## Education:

University of Michigan, Ann Arbor

**B.S. in Public Policy,**

Expected Graduation: May 2025

## Relevant Coursework:

Climate Change Modeling, Data Science Fundamentals, Applied Machine Learning

## Skills:

Tableau, Computer Vision, Keras, Linux, JavaScript

## Experience:

Undergraduate Research Assistant

Department of Public Policy, University of Michigan, Ann Arbor

Sep 2022 – Present

- Worked on projects related to climate change modeling using tools like Tableau, Computer Vision, Keras.
- Contributed to literature reviews and helped design experiments.
- Assisted with data collection and preliminary analysis for research papers.

Academic Project

"Climate Change Modeling Analysis using AI"

- Built a project that applies concepts from ML and statistics to study topics in Climate Change Modeling.
- Presented findings in class and received excellent feedback from faculty.

## Hobbies & Interests:

- Reading non-fiction
- Music production
- AI Ethics discussions
