

WILLIAM DAVIS

Email: hoffmannancy@gmail.com
Education Level: Undergraduate
Major: Communication

Desired Role: RA
Research Interests: Climate Change Modeling

Education:

Carnegie Mellon University

B.S. in Communication,

Expected Graduation: May 2025

Relevant Coursework:

Climate Change Modeling, Data Science Fundamentals, Applied Machine Learning

Skills:

PyTorch, Data Analysis, SQL, MATLAB

Experience:

Undergraduate Research Assistant

Department of Communication, Carnegie Mellon University

Sep 2022 – Present

- Worked on projects related to climate change modeling using tools like PyTorch, Data Analysis, SQL.
- Contributed to literature reviews and helped design experiments.
- Assisted with data collection and preliminary analysis for research papers.

Academic Project

"Climate Change Modeling Analysis using AI"

- Built a project that applies concepts from ML and statistics to study topics in Climate Change Modeling.
- Presented findings in class and received excellent feedback from faculty.

Hobbies & Interests:

- Blog writing
- Music production
- Reading non-fiction
