

JILL MAY

Email: omitchell@gmail.com
Education Level: PhD
Major: Information Science

Desired Role: Grader
Research Interests: Human-Robot Interaction

Education:

Georgia Institute of Technology

B.S. in Information Science,

Expected Graduation: May 2026

Relevant Coursework:

Human-Robot Interaction, Data Science Fundamentals, Applied Machine Learning

Skills:

Tableau, PyTorch, Machine Learning, Deep Learning, Scikit-learn, Python

Experience:

Undergraduate Research Assistant

Department of Information Science, Georgia Institute of Technology

Sep 2022 – Present

- Worked on projects related to human-robot interaction using tools like Tableau, PyTorch, Machine Learning.
- Contributed to literature reviews and helped design experiments.
- Assisted with data collection and preliminary analysis for research papers.

Academic Project

"Human-Robot Interaction Analysis using AI"

- Built a project that applies concepts from ML and statistics to study topics in Human-Robot Interaction.
- Presented findings in class and received excellent feedback from faculty.

Hobbies & Interests:

- AI Ethics discussions
- Open-source contributions
- Volunteering in local shelters
