

# ROBERT TORRES

**Email:** isaiah83@yahoo.com  
**Education Level:** PhD  
**Major:** Plant Sciences

**Desired Role:** RA  
**Research Interests:** Assistive Technology

## **Education:**

University of Maryland, College Park

**B.S. in Plant Sciences,**

Expected Graduation: May 2025

## **Relevant Coursework:**

Assistive Technology, Data Science Fundamentals, Applied Machine Learning

## **Skills:**

TensorFlow, Natural Language Processing, Data Visualization, Node.js, SQL

## **Experience:**

Undergraduate Research Assistant

Department of Plant Sciences, University of Maryland, College Park

Sep 2022 – Present

- Worked on projects related to assistive technology using tools like TensorFlow, Natural Language Processing, Data Visualization.
- Contributed to literature reviews and helped design experiments.
- Assisted with data collection and preliminary analysis for research papers.

Academic Project

"Assistive Technology Analysis using AI"

- Built a project that applies concepts from ML and statistics to study topics in Assistive Technology.
- Presented findings in class and received excellent feedback from faculty.

## **Hobbies & Interests:**

- Volunteering in local shelters
- Peer mentoring
- Chess and strategy games
