

# JOSHUA FISHER

**Email:** jessicawilson@yahoo.com  
**Education Level:** Masters  
**Major:** Information Science

**Desired Role:** TA  
**Research Interests:** Assistive Technology

## **Education:**

New York University

**B.S. in Information Science,**

Expected Graduation: May 2026

## **Relevant Coursework:**

Assistive Technology, Data Science Fundamentals, Applied Machine Learning

## **Skills:**

Git, Keras, Computer Vision, Machine Learning, Google Cloud

## **Experience:**

Undergraduate Research Assistant

Department of Information Science, New York University

Sep 2022 – Present

- Worked on projects related to assistive technology using tools like Git, Keras, Computer Vision.
- Contributed to literature reviews and helped design experiments.
- Assisted with data collection and preliminary analysis for research papers.

Academic Project

"Assistive Technology Analysis using AI"

- Built a project that applies concepts from ML and statistics to study topics in Assistive Technology.
- Presented findings in class and received excellent feedback from faculty.

## **Hobbies & Interests:**

- Music production
- Volunteering in local shelters
- Creative writing
